Ashes of the Earth Dec 24 2019 Thirty years after global holocaust, the colony of Carthage still struggles to build its new world. While steam engines and other early industrial technology have empowered its economy, the fragile society is undermined by secret crimes, rifts between generations, government censorship, and a legacy of casting out those who suffer from radiation sickness. Embittered survivor Hadrian Boone—once a revered colony founder—has been hounded by despair and the ghosts of his past into a life of drunkenness and frequent imprisonment for challenging the governor's tyranny. But when a gentle old man, the colony's leading scientist, is murdered, Hadrian glimpses chilling secrets behind the killing that could destroy the colony. Realizing that he may be the only one able to expose the truth, Hadrian begins a desperate quest through the underbelly of the colony into the wrenching camps of the outcasts, escorted by a young policewoman who struggles to cope with the physical and emotional remnants of the prior world. Ultimately Hadrian's journey becomes one of self-discovery, and to find justice his greatest challenge is navigating the tortuous path of the human spirit in a world that has been forever fractured.

Daniel Boone Jul 11 2021 Draws on contemporary accounts to create a portrait of the frontier hero and the times he helped shape

Off Somewhere Jul 23 2022 Off Somewhere, Z.Z. Boone's debut story collection, is populated by characters who seek recognition and empowerment in a world that has suddenly become baffling. The tone of these eighteen stories

ranges from a humorous account of a young student obsessed with an unobtainable fast-food worker, to a cartoonist forced to face the fact that brotherly hatred runs deeper than brotherly love, to a young woman hoping a homemade cake will keep her parents' marriage intact. The characters are, for the most part, ordinary people driven to exceptional actions.

The Curious Incident of the Dog in the Night-Time May 09 2021 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling,

making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

Compulsion Mar 27 2020 Beautiful Creatures meets *The Body Finder* in *Compulsion*, the first novel in a spellbinding new trilogy. All her life, Barrie Watson has been a virtual prisoner in the house where she lived with her shut-in mother. When her mother dies, Barrie promises to put some mileage on her stiletto heels. But she finds a new kind of prison at her aunt's South Carolina plantation instead—a prison guarded by an ancient spirit who long ago cursed one of the three founding families of Watson Island and gave the others magical gifts that became compulsions. Stuck with the ghosts of a generations-old feud and hunted by forces she cannot see, Barrie must find a way to break free of the family legacy. With the help of sun-kissed Eight Beaufort, who knows what Barrie wants before she knows herself, the last Watson heir starts to unravel her family's twisted secrets. What she finds is dangerous: a love she never expected, a river that turns to fire at midnight, a gorgeous cousin who isn't what she seems, and very real enemies who want both Eight and Barrie dead.

The Hatching Mar 07 2021 The International Bestseller “An apocalyptic extravaganza of doom and heroism...addictive.” —Publishers Weekly “This is a fresh take on classic horror, thoroughly enjoyable and guaranteed to leave your skin crawling.” —Michael Koryta, New York Times bestselling author of *Those Who Wish Me Dead* “Guaranteed to do what *Jaws* did to millions of people.” —Suspense Magazine An astonishingly inventive and terrifying debut novel about the emergence of an ancient species, dormant for over a thousand years, and now on the march. Deep in the jungle of Peru, where so much remains unknown, a black, skittering mass devours an American tourist whole. Thousands of miles away, an FBI agent investigates a fatal plane crash in Minneapolis and makes a gruesome discovery. Unusual seismic patterns register in a Kanpur, India earthquake lab, confounding the scientists there. During the same week, the Chinese government “accidentally” drops a nuclear bomb in an isolated region of its own country. As these incidents begin to sweep the globe, a mysterious package from South America arrives at a Washington, D.C. laboratory. Something wants out. The world is on the brink of an apocalyptic disaster. An ancient species, long dormant, is now very much awake.

The Things We Do for Women Oct 14 2021 Seth Johnson's debut story collection comprises twelve linked tales set in Kentucky against the backdrop of the disintegration of a young marriage amidst thwarted expectations and contrasted by illustrations of the unconditional love freely given by dogs. A man on the run hides out at a boarding house owned by a paraplegic woman whose uncle's dog gives birth with an ease that impresses the observers of this ordinary event. A young man confesses his extramarital affairs to his mother. A housewife attends the funeral of a young woman whom she never knew. In precise, evocative prose, *The Things We Do for Women* explores the perpetual desire for love and the obstacles to obtaining it.

Blood and Treasure Feb 06 2021 The Instant New York Times Bestseller National Bestseller "[The] authors' finest work to date." —Wall Street Journal The explosive true saga of the legendary figure Daniel Boone and the bloody struggle for America's frontier by two bestselling authors at the height of their writing power—Bob Drury and Tom Clavin. It is the mid-eighteenth century, and in the thirteen colonies founded by Great Britain, anxious colonists desperate to conquer and settle North America's "First Frontier" beyond the Appalachian Mountains commence a series of bloody battles. These violent conflicts are waged against the Native American tribes whose lands they covet, the French, and the mother country itself in an American Revolution destined to reverberate around the world. This is the setting of *Blood and Treasure*, and the guide to this epic narrative is America's first and arguably greatest pathfinder, Daniel Boone—not the coonskin cap-wearing caricature of popular culture but the flesh-and-blood frontiersman and Revolutionary War hero whose explorations into the forested frontier beyond the great mountains

would become the stuff of legend. Now, thanks to painstaking research by two award-winning authors, the story of the brutal birth of the United States is told through the eyes of both the ordinary and larger-than-life men and women who witnessed it. This fast-paced and fiery narrative, fueled by contemporary diaries and journals, newspaper reports, and eyewitness accounts, is a stirring chronicle of the conflict over America's "First Frontier" that places the reader at the center of this remarkable epoch and its gripping tales of courage and sacrifice.

Boone Before Boone Jan 17 2022 Native Americans have occupied the mountains of northwestern North Carolina for around 14,000 years. This book tells the story of their lives, adaptations, responses to climate change, and ultimately, the devastation brought on by encounters with Europeans. After a brief introduction to archaeology, the book covers each time period, chapter by chapter, beginning with the Paleoindian period in the Ice Age and ending with the arrival of Daniel Boone in 1769, with descriptions and interpretations of archaeological evidence for each time period. Each chapter begins with a fictional vignette to kindle the reader's imaginings of ancient human life in the mountains, and includes descriptions and numerous images of sites and artifacts discovered in Boone, North Carolina, and the surrounding region.

The Taking of Jemima Boone Nov 15 2021 "A rousing tale of frontier daring and ingenuity, better than legend on every front." — Pulitzer Prize-winning author Stacy Schiff A Goodreads Most Anticipated Book In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel *The Dante Club*, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone's daughter and the dramatic aftermath that rippled across the nation. On a quiet midsummer day in 1776, weeks after the signing of the Declaration of Independence, thirteen-year-old Jemima Boone and her friends Betsy and Fanny Callaway disappear near the Kentucky settlement of Boonesboro, the echoes of their faraway screams lingering on the air. A Cherokee-Shawnee raiding party has taken the girls as the latest salvo in the blood feud between American Indians and the colonial settlers who have decimated native lands and resources. Hanging Maw, the raiders' leader, recognizes one of the captives as Jemima Boone, daughter of Kentucky's most influential pioneers, and realizes she could be a valuable pawn in the battle to drive the colonists out of the contested Kentucky territory for good. With Daniel Boone and his posse in pursuit, Hanging Maw devises a plan that could ultimately bring greater peace both to the tribes and the colonists. But after

the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone's kidnapping vividly illuminates the early days of America's westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that opens a window into America's transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and betrayals.

Green-Eyed Goose: A Boone Story about Overcoming Envy and Jealousy Oct 22 2019 Boone is back, and boy is he bothered! Why is his brother Finn the first to fly? And why can Otter flip but Boone can't? And What's with Beaver's big tail? It just doesn't seem fair! But Boone soon learns, with the help of those around him, that instead of begrudging what others have or earned, he should be grateful for what he has, and work hard to earn what more he wants.

Boone Aug 24 2022 The story of Daniel Boone is the story of America—its ideals, its promise, its romance, and its destiny. Bestselling, critically acclaimed author Robert Morgan reveals the complex character of a frontiersman whose heroic life was far stranger and more fascinating than the myths that surround him. This rich, authoritative biography offers a wholly new perspective on a man who has been an American icon for more than two hundred years—a hero as important to American history as his more political contemporaries George Washington and Benjamin Franklin. Extensive endnotes, cultural and historical background material, and maps and illustrations underscore the scope of this distinguished and immensely entertaining work.

Kinship with All Life Apr 20 2022 Is there a universal language of love, a "kinship with all life" that can open new horizons of experience? Example after example in this unique classic -- from "Strongheart" the actor-dog to "Freddie" the fly -- resounds with entertaining and inspiring proof that communication with animals is a wonderful, indisputable fact. All that is required is an attitude of openness, friendliness, humility, and a sense of humor to part the curtain and form bonds of real friendship. For anyone who loves animals, for all those who have ever experienced the special devotion only a pet can bring, *Kinship With All Life* is an unqualified delight. Sample these

pages and you will never encounter "just a dog" again, but rather a fellow member of nature's own family.

Business and Society Dec 04 2020 *Business and Society: Stakeholder Relations, Ethics and Public Policy* by Lawrence/Weber/Post, has continued through several successive author teams to be the market-leader in its field. For over thirty years, *Business and Society* has been updated and reinvented in response to society's relationship to business. *Business and Society, 11e* highlights why government regulation is sometimes required as well as new models of business-community collaboration. *Business and Society, 11e* is a book with a point of view. Lawrence, Weber and Post believe that businesses have social (as well as economic) responsibilities to society; that business and government both have important roles to play in the modern economy; and that ethics and integrity are essential to personal fulfillment and to business success. The book is designed to be easily modularized; an instructor who wishes to focus on a particular portion of the material may select individual chapters or cases to be packaged in a Primis custom product.
