Introduces angels, including guardian angels, the Angel of Friendship, and the Angel of Fairness, and explains what they are, what they do, and how one can be an angel every day. Readers will enjoy a glimpse into the lives of a paramedic jumper. This book is about God and His gift of Guardian Angels to all of us, especially the most vulnerable, our children. Using our imagination, we will journey to a place where you can see, hear, and name your Guardian Angel. This book is the beginning of a relationship with God that will last a lifetime. Believe what you can't see, trust what you feel and when faced with a challenge do your best and give the rest to God. Have you ever wondered why you don't feel entirely alone even when you are? Maybe it's because you really aren't. And if you attune yourself to that being of light that resides beside you, behind you, and in front of you, you will meet your constant companion, whose sole purpose is to guide you through life: your very own Guardian Angel. The time spent with your Guardian Angel here on earth can help you to reap great benefits during this lifetime. Denny Sargent writes, "In my academic and personal research, I came upon the concept of the Guardian Angel a number of times over the years. I was amazed to discover instructions on how to "meet" your Guardian Angel that were thousands of years old. This changed my entire life. I no longer had to look to others for spiritual authority or wisdom. Then I discovered that every culture had within it the concept of a Guardian Angel or Guardian Spirit, or Ally. The idea transcends time and culture; it is universal. I felt that this "secret" should not be left hidden and obscure but should be dusted off, simplified, and offered to all." Your Guardian Angel and You is a thoroughly intriguing read about the fascinating history of the Guardian Angel, why you need one, and how to prepare to meet yours. In fact, if a feeling of dread ever kept you from taking a turn down a certain road, getting in a car, or taking a certain flight, you may already have met your Guardian Angel. Once you establish, nurture, and expand your relationship with your Guardian Angel, you can expect terrific things in return. Ask specific questions and receive specific answers. Define and refine your dreams. Lean on the wisdom and insight of your Guardian Angel to give you a form of heaven on Earth right now where your dreams can be lived. Guardian Angel is that rare memoir that grabs you by the shoulders with an urgency that screams, "PAY ATTENTION!" It leaps off the page with an immediacy and relevance that few books achieve. Beginning with her solitary childhood in London, it took years for Melanie Phillips to understand her parents' emotional frailties and even longer to escape from them. But Phillips inherited her family's strong Jewish values and a passionate commitment to freedom from oppression. It was this moral foundation that ultimately turned her against the warped and tyrannical attitudes of the Left, requiring her to break away not only from her parents—but also from the people she had seen as her wider political family. Through her poignant story of transformation and separation, we gain insight into the political uproar that has engulfed the West. Britain's vote to leave the EU, the rise of far-Right political parties in

Europe, and the stunning election of US president Donald Trump all involve a revolt against the elites by millions. It is these disdained masses who have been championed by Melanie Phillips in a career as prescient as it has been provocative. Guardian Angel is not only an affecting personal story, but it provides a vital explanation why the West is at a critical crossroads today. "Melanie Phillips has been one of the brave and necessary voices of our time, unafraid to speak the language of moral responsibility in an age of obfuscation and denial. This searing account of her personal journey is compelling testimony to her courage in speaking truth to power."—Rabbi Lord Jonathan Sacks As a child, we had a beautiful innocence to believe even when we couldn't see. This included the beauty of our protective Guardian Angels. As we grew up we were taught that if you could not see it, feel it, hear it or smell it, it must not be. This was a sad loss of innocence for God and His Angels! God sends his Angels to communicate with us... He has done so since the beginning! He sent them to tell Noah to build the Ark, to lead Moses across the Red Sea and to reveal the upcoming birth of Jesus. He sends his messengers, the Angels to us still today - God Doesn't Change! How amazing if we would continue to hear our Guardian Angels the way He intended us to...the way children can! "We All Have Guardian Angels will encourage you to have those conversations with your children and grandchildren to preserve their innocence and belief in our Divine Protectors! This lovely inspirational kit celebrates everyday miracles. It features an exquisite mini angel doll with a loop for hanging, plus tiny blank cards for recording hope and prayers while the 32-page book offers instructions for developing a relationship with one's own watchful angel. This kit contains a cloth angel and an accompanying book that teaches how to develop a relationship with a guardian angel. Understanding how a guardian angel or spirit guide is educated and trained. This is the story of how God gave the sand dollars to the guardian angels to live in. The World's Gentlest and Sweetest Tarot Cards After the successful launch of their best-selling Angel Tarot Cards, Doreen Virtue and Radleigh Valentine knew that some people were still wary of tarot. So they created this 78-card deck and accompanying guidebook for highly sensitive people who desire the accurate and detailed answers of tarot cards, along with gentle words and images. Even sweeter than their other decks, the Guardian Angel Tarot Cards provide a comforting and safe way to get clear messages for yourself and others. Willem Frederik Hermans's lucid and exhilarating WWII masterpiece in a razor-sharp translation by David Colmer Alberegt, a public prosecutor and self-proclaimed "man of minor failings," speeds through Hook of Holland in his black Renault on May 9, 1940. His every move is guided by the cool and patient hand of a guardian angel. Flitting about from the hood of Alberegt's car to the rim of his windswept hat, the angel attempts to quell their unhappy ward's fears and secrets. (On occasion the heavenly narrator is so ashamed of Alberegt that they cover their own face with guardian wings.) The angel, musing for just a moment on the greater suffering of mankind, forgets a frenzied and lovelorn Alberegt at the wheel who swerves into a small child crossing the road. This fatal event, on the eve of Nazi occupation of The Netherlands, spins the novel into a nightmare in which even expressions of empathy and humanity are edged out by cynicism and cruelty. Reminiscent of the writings of Albert Camus and Kurt Vonnegut, A Guardian Angel Recalls is a brilliant and unnerving masterpiece. Willem Frederik Hermans's lucid and exhilarating WWII masterpiece in a razor-sharp translation by David Colmer A Guardian Angel Recalls is a gripping and diabolical wartime novel by one of the most provocative Dutch writers of the twentieth-century. Alberegt, a frenzied and lovelorn public prosecutor, speeds through Hook of Holland in his black Renault on May 9, 1940 - the eve of the German invasion of the Netherlands. Guiding his every move is a guardian angel. With unflappable patience, the angel flits from the hood of the Renault to the rim of his windswept hat, determined to quell his every anxiety and doubt. The angel's momentary distraction, however, sets off a chain of events that spins a nightmarish web. Alberegt's elusive companion serves both as narrator and meddling driver of the plot, though not without the interventions

of a rotating cast of devils. They wouldn't leave me alone until I wrote it - seems a slight exaggeration, but not wrong either. So with much joy, respect, patience and gratitude we are pleased to present you with The Guardian Angel Book. In this epic fantasy, humans and demons fight the ultimate war between good and evil. Ever since Lucifer fell from grace during the Great Rebellion, a need to regain power over all souls burned like mad within him. In the Kingdom of Darkness, he has the damned on his side. But his goal will not be achieved in Hell. It will not be won by invading Heaven. The war begins on Earth with the Chosen Ones. In New York, mild-mannered accountant John Summers finds his life irrevocably changed overnight. He's imbued with powers he can't explain, and struggling with forces he can't contain. Possessed, he can only fight. But it's given his life purpose. In Kansas, the widowed Andrea Lewis-Rose lives a quiet life. More than anything she wants a child. Her dreams are about to come true. Her nightmares, too. Unbeknownst to Andrea, she has been picked by Satan to bear his seed. Now, as two strangers become bound in a devilish conspiracy, and the hierarchy of Hell begins to shift, John and Andrea must come together as a force of goodness to outrun, outwit, and outlast their dark destiny. A sweet collection of prayers, poetry, and pictures to teach your little one all about their guardian angel! Includes a presentation page -- perfect for a Dedication, Baptism, or First Communion gift! Traditional folklore has spoken of guardian angels who guide and protect us. However, although there are numerous stories of the miraculous intervention of these beings, some people still write them off as myth and superstition. Based on his own personal experience and cognition, Rudolf Steiner spoke of guardian angels and other spiritual beings as a reality. Their existence, he said, is a spiritual and scientific fact that can be researched and studied by clairvoyance. One of his aims was to enable people to connect again with these spiritual beings not only for their own benefit, but also for the benefit of the other kingdom of nature and the whole destiny of the earth's evolution. In his writings and lectures Steiner intended to lead people from belief to recognition, knowledge, and understanding of spiritual beings. In these six specially selected lectures, which until now have lain hidden away in very early publications or journals, he describes the role of the guardian angel and discusses our relationship to the heavenly hierarchies of spiritual beings as a whole and how they shape our human form as a result of their cosmic activity. As many people today are awakening to angelic guidance in their daily lives and are seeking it consciously, these lectures will help them to understand their experiences and to make their communication more conscious. Cuddle up with your little one and embark on a colorful graphic journey to meet and talk to your guardian angels. Talking to My Guardian Angel is a short bedtime story for children ages 0 to 5. With sweet simple rhymes and full color artwork it introduces the role of guardian angels as benevolent celestial intermediaries between God (or Heaven) and humanity. (No specific religion is mentioned in the book.) Illustrations include cute boys, girls, angels, and fictional characters such as animals and unicorns with wings and halos in situations that help instill concepts like optimism, kindness, and confidence. Great for developing a soothing bedtime-with-mommy or bedtime-with-daddy daily routine. Ideal easy-to-ship gift for: babies, toddlers, and preschoolers baby showers, baptisms, Easter baskets, birthdays, and holiday gifting your children, grandchildren, or godchildren as a beautiful reminder of how much you love them. When Jade appears on the doorstep of the Marquess of Cainewood, the strong-willed and powerful man becomes both her protector and her greatest admirer Guardian angels are our own personal bodyguards and best friends: they protect us from harm, are there for us in times of need, and can imbue us with certain talents and skills. Extensive research into sacred texts reveals that there are seventy-two guardian angels, each of whom governs five days of the calendar year. The day you were born determines who your guardian angel is. Open "Who Is Your Guardian Angel?," look up your birthday, and find out all about your celestial counterpart. Find out what famous people share your guardian with you. Find out what special powers and responsibilities your guardian angel has and--more important--how these powers affect you. The streets are eerily empty, and everyone in the Jewish community is terrified of Peter the Hermit. His men, the Crusaders, are moving through the town on their way to the Holy Land. They have been known to batter down doors and burn Jewish houses, all in the name of religion. aThis is not Nazi Germany but Troyes, France, in 1096, as seen through the eyes of funny, feisty, twelve-year-old Elvina. She is the granddaughter of the great rabbi Rashi, and she knows how to read and writeOCowhich is very rare for a girl of her time. She draws strength from this, as well as from her guardian angel, to whom she regularly speaks. aOn a cold Sabbath afternoon while Elvina is alone in the house, three soldiers pound at

her door. One of them is wounded. Elvina has only a moment to make a difficult choice that could put her family and the entire community at risk. Can her guardian angel guide her and keep her safe? a"My Guardian Angel" is a story of compassion and tolerance that speaks clearly to readers of all faiths. ElvinaOCO's voice lingers long in memory, and her courage and humor long in the heart." They wouldn't leave me alone until I wrote it - seems a slight exaggeration, but not wrong either. So with much joy, respect, patience and gratitude we are pleased to present you with The Guardian Angel Book. Let's pretend that I was killed on that day, when I wasn't. The day when my guardian angel managed to throw my F-86F half a second from becoming a fireball in the desert, up into a clear sky, way above what would have been the impact point. If she hadn't done this, if she hadn't spared my life time after time in the 80-some years that we've been together, I wouldn't have written this book that brings those strange times together, and suggests why we choose any lifetime in the first place. For 78 of those years, I had no idea that she existed, hadn't heard about guardian angels and what their job might be. Hadn't heard that our angel stays with us from the minute we're born till the time that our mission is done, and we come home to the place we call heaven. Today I've just about finished a lifetime, and at last I can understand what it is that we do as mortals, and why we choose these over all the other possibilities. Thank you, dear guardian angel, and please consider that with your consent and signature, our contract will extend to yet another lifetime. Reveals there is a Guardian Angel assigned to each person, parish, diocese, city, etc., and explains how they work and what they do for us. Fascinating stories. (5-1.50 ea.; 10-1.25 ea.; 25-1.00 ea.; 50-.80 ea.; 100-.70 ea.). "Angel of God, My Guardian Dear to whom God's love commits me here. Ever this day be at my side to light and guard and rule and guide. Amen." That little prayer was instilled in me from early childhood when my parent's would put me to bed, or when I was ill, or when under any stress. I always knew that I had a guardian angel with me throughout my life. A number of years ago, I met an ordained minister who introduced me to the spiritual aspect of guardian angels. Rev. Cathy Cartisano Andrews instilled in me a rebirth of the impact that guardian angels have upon my life and the lives of others. This story is dedicated to that awakening.
