Samson and Delilah (French: Samson et Dalila), is a grand opera in three acts and four scenes by Camille Saint-Saëns to a French libretto by Ferdinand Lemaire. It was first performed in Weimar at the Grossherzogliches (Grand Ducal) Theater (now the Staatskapelle Weimar) on 2 December 1877 in a German translation. The opera is based on the Biblical tale of Samson and Delilah found in Chapter 16 of the Book of Judges in the Old Testament. It is the only opera by Saint-Saëns that is regularly performed. The second act love scene in Delilah's tent is one of the set pieces that define French opera. Two of Delilah's arias are particularly well known: "Printemps qui commence" and "Mon cœur s'ouvre à ta voix" ("My heart opens itself to your voice", also known as "Softly awakes my heart"), the latter of which is one of the most popular recital pieces in the mezzo-soprano/contralto repertoire Excerpt from The Merry Wives of Windsor: Comic Opera in Three Acts; Libretto, Containing Correct English Words Refuse me not my life's best treasure Nor send me coldly thus away. Do not deny me this great blessing, And you the deed will never rue. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. This book is a reproduction of the original book published in 1900 and may have some imperfections such as marks or hand-written notes. Excerpt from Song Words of the Merry Monarch: Comic Opera, in Three Acts I. When I was a child of three, Heigho! Long ago! Some one gave a doll to me. Rosy cheeks she had, and eyes Blue as are the summer Skies. Though she answered not a word, Yet I fancied that she heard All the childish hopes and fears That I whispered in her ears, Whispered all in secrecy, When I was a child of three Heigho! Long ago, Long, long ago! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Excerpt from The Castle of Andalusia: A Comic Opera, in Three Acts Let it be known to the world - that more than half the authors who come before them thus apparently bold, and self-approved, are perhaps sinking under the shame of their puerile works, and discerning in them more faults, from closer attention and laudable timidity, than the most severe of their censors can point out. These observations might be some apology for this Opera, if it required any. But it has pleased so well in representation, that its deserts as an exhibition are acknowledged; and if in the reading there should appear something of too much intricacy in the plot, or of improbability in the events, the author must be supposed to have seen those faults himself; though want of time, or, most likely, greater reliance upon the power of music than upon his own labour, impelled him gladly to spare the one, in reverence to the other. Excerpt from The Syndic: A Comic Opera in Three Acts "Quebec was founded by Samuel Champlain in 1608. It was taken by the English in 1629 and restored to France by the treaty of 1632. In 1636 it had one hundred inhabitants. It was the colony of a concessionary company who did not fulfill their promises to the settlers, and hence its growth was slow. "The Magistrate, named by the company, was called a Syndic, and had powers similar to those of a Mayor. The King (Louis XIV of France), dissatisfied with the management of the Company, took the colony into his own hands, and in 1663 appointed a Governor, and created the Sovereign Council of Quebec, who were charged with its government." - Appleton's Cyclopaedia, Article, "Quebec." We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. Excerpt from The Flying Dutchman: Romantic Opera in Three Acts Wagner is by no means an innovator in his endeavour to make music and sweet poetry agree and this endeavour, on his part, was simply the result of study, and grew to conviction with his artistic development. His poetical capacity is not shown to us full born nor did his musical genius burst forth full ?edged like Athene from the head of Zeus.
