Intended for the use of sheriffs' departments, this manual presents methods of addressing implementation issues related to two crucial resource allocation topics: (1) the total number of police officers required to provide an acceptable level of traffic services, and (2) how a specified total number of officers should be allocated by geographic regions or time periods to produce the maximum agency productivity. The guidelines are intended for use as a reference document for both first-time and experienced users of the accompanying procedure manual. The procedures rely on both historical data and user-supplied performance objectives. Individual sections provide an overview of the methodology used in determining staffing levels and allocations and explain general implementation strategies, issues related to data definition and collection, and the recommended

data collection and implementation procedure. Appendixes list data and performance information required for each of the nine worksheets in the accompanying manual, a glossary of terms and notation used in the manual, a detailed example, and derivations of all the important formulas. The must-have manual to understand and use the latest edition of the Fifth Edition The professional standard in the field of project management, A Guide to the Project Management Body of Knowledge (PMBOK® Guide—Fifth Edition) published by the Project Management Institute (PMI®) serves as the ultimate resource for professionals and as a valuable studying and training device for students taking the PMP® Exam. A User's Manual to the PMBOK® Guide takes the next logical step to act as a true user's manual. With an accessible format and easy-to-understand language, it helps to not only distill essential information contained in the PMBOK® Guide—Fifth Edition, but also fills an educational gap by offering instruction on how to apply its various tools and techniques. This edition of the User's Manual: Defines each project management process in the PMBOK® Guide—Fifth Edition, describes the intent, and discusses the individual ITTOs (inputs, tools and techniques, and outputs) Features examples, handy tips, and sample forms to supplement learning Contains a data flow diagram of each process in the PMBOK® Guide—Fifth Edition to show how information is

distributed. It is updated to provide deeper coverage of stakeholder management and to include new processes for scope, schedule, cost, and stakeholder management. The User's Manual enables you to put the PMBOK Guide—Fifth Edition to work on your projects. It will help you implement the processes described in the PMBOK Guide—Fifth Edition and apply the tools and techniques to help make your projects successful. Thorough in coverage and rich in content, it is a worthy companion to augment the important strategies laid out in the PMBOK® Guide—Fifth Edition, and the one book that aspiring or professional project managers should never be without. Fully updated to align with A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Fifth Edition. Describes how to apply tools and techniques for projects and how to create process outputs. Presents information by process group. Expands upon the PMBOK® Guide with information on the sponsor's role and planning loops. Integrates and describes interpersonal skills into the process where they are identified. (PMBOK, PMI, PMP and Project Management Professional are registered marks of the Project Management Institute, Inc.)

What is the point? What is the purpose of life? Why must I suffer the stress, and anxiety that comes with it? Why does it all seem so hard and so unfair? If you have asked yourself any of these questions, then you have found the book you are looking for. There are answers to all of these questions and Anderson Silver has compiled teachings from Stoicism and other schools of thought in Your User's Manual. This refreshing collection not only gives the

reader much sought after answers, but also provides the tools for finding purpose, and living an anxiety-free life in the modern world. Meant as a light read that the reader can come back to and meditate on periodically, Anderson has done a wonderful job of condensing fundamental teachings, making *Your User's Manual* a straightforward read in answering life's most pressing questions and recognizing what is truly important. Michael Swanson's online discussions with literally thousands of NexStar owners made it clear that there was a desperate need for a book such as this — one that provides a complete, detailed guide to buying, using and maintaining NexStar telescopes. Although this book is highly comprehensive, it is suitable for beginners — there is a chapter on "Astronomy Basics" — and experts alike.

Celestron's NexStar telescopes were introduced in 1999, beginning with their first computer controlled "go to" model, a 5-inch. More models appeared in quick succession, and Celestron's new range made it one of the two dominant manufacturers of affordable "go to" telescopes. Maximize the impact and precision of your message! Now in its fourth edition, the *Microsoft Manual of Style* provides essential guidance to content creators, journalists, technical writers, editors, and everyone else who writes about computer technology. Direct from the Editorial Style Board at Microsoft—you get a comprehensive glossary of both general technology terms and those specific to Microsoft; clear, concise usage and style guidelines with helpful examples and alternatives; guidance on grammar, tone, and voice; and best practices for writing content

for the web, optimizing for accessibility, and communicating to a worldwide audience. Fully updated and optimized for ease of use, the Microsoft Manual of Style is designed to help you communicate clearly, consistently, and accurately about technical topics—across a range of audiences and media. A Step by Step Guide on how to get the most of your Amazon Echo device *Supports all Amazon Echo devices* If not the best feature of the Echo is the immense functionality that it has. Learn how to use your device to its full capabilities just like the pros do. Heres what you'll get: - Sharing accounts - Setup - Alexa - Bluetooth connectivity - Reminders - Package tracking - Streaming music - Controlling other devices - Taking personal amazon packages - Controlling fire tv with echo - Options - Updating - Troubleshooting + MUCH MORE! --> Scroll to the top of the page and click add to cart to purchase instantly
