A stunning picture book biography about the tightrope walker who dazzled Paris as she danced across the sky with impeccable balance and unparalleled skill during the French Revolution. In revolutionary France, a girl named Marguerite Lalanne longed to perform above large crowds on a tightrope, just like her acrobatic parents. Sneaking off to the fairgrounds for secret tightrope walking lessons, Marguerite finessed her performance skills, ultimately performing for crowds as a young rope dancer. And eventually, Marguerite would perform as Madame Saqui, waltzing and pirouetting across—and never falling off—countless ropes above adoring crowds. A nouvelle chérie de Paris, Madame Saqui cemented her place in circus history, winning the adoration of the French people and royalty alike, including Emperor Napoleon Bonaparte. This remarkable biography unveils the inspiring story of a trailblazing woman who revolutionized the circus world—without ever missing a step. The twenty papers contained in this volume are a humble contribution to a cause which is exciting much interest in the present day-I mean the cause of scriptural holiness. It is a cause which everyone who loves Christ, and desires to advance His kingdom in the world, should endeavor to help forward. Everyone can do something and I wish to add my mite. The reader will find little that is directly controversial in these papers. I have carefully abstained from naming modern teachers and modern books. I have been content to give the result of my own study of the Bible, my own private meditations, my own prayers for light, and my own reading of old divines. If in anything I am still in error, I hope I shall be shown it before I leave the world. We all see in part, and have a treasure in earthen vessels. I trust I am willing to learn. Kai feels awful; but with the help of his friends, he figures out another way to show his affection, and then everyone demonstrates their preferred ways of being greeted.
