**The Spanish-speaking World** May 31 2020 Combining text with practical exercises and discussion questions to stimulate readers, this textbook covers a wide range of sociolinguistic issues relating to the Spanish Language and its role in societies around the world. This accessible textbook offers students the opportunity to explore for themselves a wide range of sociolinguistic issues relating to the Spanish language and its role in societies around the world. It is written for undergraduate students who have a sound practical knowledge of Spanish but who have little or no knowledge of linguistics or sociolinguistics. It combines text with practical exercises and discussion questions to stimulate readers to think for themselves and to tackle specific problems. In Part One Clare Mar-Molinero discusses the position of Spanish as a world language, giving an historical account of its development and dominance. Part Two examines social and regional variation in Spanish, and investigates dialects, language attitudes, and style and register, particularly in the media. The author also questions the relationship between gender and language. Part Three focuses on current issues, particularly those arising from language policies and legislation, especially in the education system, in Spain, Latin America and the USA.

**Spain During World War II** Aug 03 2020 "Examines how the Francisco Franco regime achieved its goals of state survival and internal order following the divisive Spanish Civil War. Bowen argues that even the most pro-Axis elements within Spain were more concerned with domestic politics, the potential for civil unrest, and poverty than with wartime events in Europe"--Provided by publisher.

**Western Civilization: Volume II: Since 1500** Mar 10 2021 Best-selling author Jackson Spielvogel helped over one million students learn about the present by exploring the past. Spielvogel's engaging, chronological narrative weaves the political, economic, social, religious, intellectual, cultural, and military aspects of history into a gripping story that is as memorable as it is instructive. WESTERN CIVILIZATION, VOLUME II includes 88 maps and excerpts of over 132 primary sources that enliven the past while introducing students to the source material of historical scholarship. Additionally, the text is lushly illustrated with 267 photographs that add visual context. A variety of pedagogical tools, including features on relevant films and new end-of-chapter study aids, make this edition accessible to any learning style. Available in the following split options: WESTERN CIVILIZATION, Eighth Edition (Chapters 1-30), ISBN: 978-0-495-91324-5; Volume I: To 1715 (Chapters 1-16), ISBN: 978-1-111-34212-8; Volume II: Since 1500 (Chapters 13-30), ISBN: 978-1-111-34213-5; Volume A: To 1500 (Chapters 1-12), ISBN: 978-1-111-34214-2; Volume B: 1300 to 1815 (Chapters 11-19), ISBN: 978-1-111-34215-9; Volume C: Since 1789 (Chapters 19-30), ISBN: 978-1-111-34216-6; Title: Alternate Volume: Since 1300 (Chapters 11-30), ISBN: 978-1-111-34219-7. **Rommel** Jan 26 2020 This book contains the story of Rommel, the famous German Field Marshal of World War II, commonly known as Desert Fox. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

**General Register** Dec 27 2019 Announcements for the following year included in some vols.

**Spanish Republicans and the Second World War** Aug 27 2022 Spanish Republicans and the Second World War tells the stories of the 500,000 Spanish Republicans that fled across the Pyrenees in 1939 as Catalonia fell to Franco's victorious army in the final weeks of the Civil War. Many of the exiles played an active part in the Second World War. Some joined the French and British armed forces and saw action in various theatres including Africa and Europe (both in 1940 and after D-Day). In August 1944, Spanish Republicans in the La Nueve Company of General Leclerc's Deuxième Blindée were the first Allied troops into Paris during the liberation of the French capital. Those that had remained in Vichy France were active in the early days of the French Resistance, and Republican Maquis also played a significant part in the liberation of the south-west of France in 1944. Those who fought the Axis troops in Spain during the Civil War and then again in France assumed that once the Allies had defeated the Nazis, they would launch a military campaign to overthrow Franco's government in Spain. In October 1944, a force of thousands of Spanish Maquis took part in Operación Reconquista, the invasion of the Valley of Aran on the Spanish side of the Pyrenees. Their declared aim was to trigger a popular uprising and force the Allies to intervene against Franco's dictatorship. Whitehead also examines the role of the Spanish volunteers of the División Azul who swore an oath of allegiance to Hitler and fought with the Wehrmacht on the Eastern Front; the role of the master double-agent Garbo, who played a crucial part in the success of D-Day; the strategic importance of Gibraltar; and the activities of the British diplomatic corps and secret services in resisting Hitler's plans to invade the Iberian Peninsula.

**Women, Texts and Authority in the Early Modern Spanish World** Oct 29 2022 This is the first essay collection to examine the relation between text and gender in Spain from a broad geographical, social and cultural perspective covering more than 300 years. The contributors examine women and the construction of gender thematically, dealing with the areas of politics, law, religion, sexuality, literature and economics, and in a variety of social categories, from Christians and Moriscos, queens and merchants, peasants and visionaries, heretics and madwomen. The essays cover different regions in the Spanish monarchy, including Andalusia, Aragon, Castile, Catalonia, Valencia and Spanish America, from the fifteenth century through to the eighteenth century. *Women, Texts and Authority in Early Modern Spain* focuses on two central themes: gender relations in the shaping of family and community life, and women's authority in spheres of power. The representation of women in a variety of texts such as poetry, court cases, or even account books illustrate the multifaceted world in which women lived, constantly choosing and negotiating their identities. The appeal of this collection is not limited to scholars of Spanish history and literature; it is deliberately designed to address the issue of how gender relations were constructed in the formation of modern society, and therefore will be of interest to scholars of women's and gender history generally. Because of the emphasis on how this construction occurs in texts, the collection will also be attractive to scholars interested in literary studies and/or print culture.

**Praxis II Spanish World Language (5195) Exam Secrets Study Guide: Praxis II Test Review for the Praxis II Subject Assessments** Dec 31 2022 Praxis II Spanish: World Language (5195) Exam Secrets helps you ace the Praxis II: Subject Assessments, without weeks and months of endless studying. Our comprehensive Praxis II Spanish: World Language (5195) Exam Secrets study guide is written by our exam experts, who painstakingly researched every topic and concept that you need to know to ace your test. **Cracking the Advanced Placement Spanish, 2004-2005** Jan 20 2022 Provides techniques for achieving high scores on the AP Spanish exam and offers two sample tests with answers and explanations.

*History in Dispute* Nov 05 2020 Annotation Offers students different critical perspectives on major historical events, drawn from all time periods and from all parts of the globe. Each volume has a thematic, era or subject-specific focus and contains roughly 50 entries. Entries begin with a brief overview summarizing the controversy followed by two or more signed, point-counterpoint essays.

**Linguistic Landscape in the Spanish-speaking World** Aug 15 2021 Linguistic Landscape in the Spanish-speaking World is the first book dedicated to languages in the urban space of the Spanish-speaking world filling a gap in the extensive research that highlights the richness and complexity of Spanish Linguistic Landscapes. This book provides scholars with an instrument to access a variety of studies in the field within a monolingual or multilingual setting from a theoretical, sociolinguistic and pragmatic perspective. The works contained in this volume aim to answer questions such as, how the linguistic landscape of certain territories includes new discourses that, ultimately, contribute to a fairer society; how the linguistic landscape of minority or low-income communities can enforce changes on language policy and who determines advertising planning; how these decisions are made and how these decisions affect vendors, customers, and the general public alike. All in all, this collective volume uncovers the voices of minority groups within the communities under study.

*Praxis II Speech-Language Pathology (0330) Practice Questions: Praxis II Practice Tests & Exam Review for the Praxis II: Subject Assessments* Sep 27 2022 Praxis II Speech-Language Pathology Practice Questions are the simplest way to prepare for the Praxis II Speech-Language Pathology Test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Our Praxis II Speech-Language Pathology Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our Praxis II Speech-Language Pathology Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

**Index to The World's Greatest Literature** Feb 27 2020

The World's Most Powerful Battleships Oct 17 2021 The World's Most Powerful Battleships features 52 of the greatest warships to have sailed and fought in the last 500 years. Beginning with King Henry VIII's flagship, the book covers all the main periods of battleship development, including the great sail ships, steam-driven warships, and the great battleships of the two world wars. Each entry includes a brief description of the battleship's development and history, a profile view, key features, and specifications. Packed with more than 200 artworks and photographs, The World's Most Powerful Battleships is a colorful guide for the military historian and naval warfare enthusiast.

Fighting Fascism in Europe Apr 10 2021 The collected letters of a veteran of both the Spanish Civil War and World War II reveals the passion and dedication of New York Jew who fought to liberate the world from facism.

English Grammar for Students of Spanish Sep 03 2020 ENGLISH GRAMMAR FOR STUDENTS OF SPANISH explains the grammatical terms that are in Spanish textbooks and shows students how they relate to English grammar. Once students have understood the terms and concepts in their own language, it is easier for them to understand their textbook. With simple explanations and numerous examples, this brief handbook compares English and Spanish grammar and points out the similarities and differences.

Spanish Air Force During World War II Dec 19 2021 Continuing with the study of the lesser known Air Forces that fought in the skies of Europe during World War II, in this book we want to remember the Spanish Air Force and how it defended the Spanish skies from several Air Forces that took part in the war. Besides we can read about the Blue Squadrons that fought against the Soviet Air Force in the Eastern Front in spite of the Spanish neutrality. We have written a text that will show us the bravery and courage of these men, in a difficult balance between the Allies and the Axis that allowed to General Franco continue in his position as chief of the Spanish state after the World War 2. We want to compile in a didactic way but without academic intention, the information about this topic from various main sources such as Juan Arráez Cerdá, José Luis González Serrano, Carlos Caballero, Francisco Martínez Canales or Jorge Fernández-Coppel, trying to focus on the Spanish Air Force actions during the world conflict defending the Spanish neutrality and in the Blue Squadrons actions against the USSR. Finally as is required we use this work to pay tribute to all the members of the Spanish Air Force that fought for their country during the difficult years of World War II.

**Hemingway's Spain** May 12 2021 Ernest Hemingway famously called Spain 'the country that I loved more than any other except my own', and his forty-year love affair with it provided an inspiration and setting for major works from each decade of his career. In this book, Carl P. Eby and Mark Cirino collect thirteen penetrating and innovative essays by scholars of different nationalities, generations, and perspectives who explore Hemingway's writing about Spain and his relationship to Spanish culture.

**History of the United States of America** Sep 23 2019

*Bernard Shaw and the Spanish-Speaking World* Apr 22 2022 This book explores, through a multidisciplinary approach, the immense influence exerted by Bernard Shaw on the Spanish-speaking world on both sides of the Atlantic. This collection of essays encompasses the reception and dissemination of his ideas; the translation of his works into Spanish; the performance history of his plays in Spain and Latin America; and Shaw's influence on many key figures of literature in Spanish. It begins by delving into Shaw's knowledge of Spanish literature and gauging his acquaintance with the Spanish cultural milieu throughout his tenure as an art, music, and theatre critic. His early exposure to Spanish-speaking culture later made the return trip in the form of profuse critical reception and theatrical success in countries like Spain, Argentina, Mexico, and Uruguay. This allows for a more detailed investigation into the unmistakable mark that Bernard Shaw left in the oeuvre of leading Spanish-speaking authors like Ramiro de Maeztu, Jorge Luis Borges or Nemesio Canales. This volume also assesses the translations of Shaw's works into Spanish -- while also providing a detailed publication history of these translations. Gustavo A. Rodríguez Martín is assistant professor at the Universidad de Extremadura (Cáceres, Spain), where he teaches courses on 20th-century literature,

ESL, and corpus linguistics. He is the editor of the Continuing Checklist of Shaviana and the bibliographical report on Shaw studies for The Year's Work in English Studies (OUP).

**English and Spanish** Dec 07 2020 "This volume compares the evolution and current status of two of the world's major languages, English and Spanish. Parallel chapters trace the emergence of Global English and Spanish and their current status, covering aspects such as language and dialect contact, language typology, norm development in pluricentric languages, and identity construction. Case studies look into the use of English and Spanish on the internet, investigate mixed and alternating lects, as well as ongoing change in Spanish-speaking minorities in the US. The volume thus contributes to current theoretical debates and provides fresh empirical data. While offering an in-depth treatment of the evolution of English and Spanish to the reader, this book introduces the driving factors and the effects of the emergence of world languages in general and is relevant for researchers and students of sociolinguistics, historical linguistics, and typology alike"--

**Bibliotheca Americana: Bibliotheca americana et philippina (2 vols.)** Jan 08 2021

The Humanities and the Dynamics of Inclusion Since World War II Oct 05 2020 Publisher description

**Spain and the Great Powers in the Twentieth Century** Nov 25 2019 Spain and the Great Powers in the Twentieth Century examines the international context to, and influences on, Spanish history and politics from 1898 to the present day. Spanish history is necessarily international, with the significance of Spain's neutrality in the First World War and the global influences on the outcome of the Spanish Civil War. Taking the Defeat in the Spanish American war of 1898 as a starting point, the book includes surveys on: \*the crisis of neutrality during the First World War \*foreign policy under the dictatorship of Primo de Rivera \*the allies and the Spanish Civil War \*Nazi Germany and Franco's Spain \*Spain and the Cold War \*relations with the United States This book traces the important topic of modern Spanish diplomacy up to the present day

**The Spanish World in English Fiction** Jul 26 2022

*Spanish Connections* Aug 22 2019 This is a memoir about my diplomatic journey to Equatorial Guinea, an ill-fated small Spanish-speaking country. I discuss the many stops along the way that finally led to my serving as U.S. ambassador to Spain's only former colony in sub-Saharan Africa. This is the story of a lifelong fascination with Spain that began with a strange tale my mother told me about a mysterious uncle who fought in the Spanish Civil War. My assignment to Equatorial Guinea was the last piece needed to complete a full circle in my professional life that began in Franco's Spain.

**Yearbook of the International Law Commission 1977, Vol.II, Part 2** Sep 15 2021 Following a request by the International Law Commission, the General Assembly, in resolution 987 (X) of 3 December 1955, requested the Secretary-General to arrange for publishing an annual publication entitled Yearbook of the International Law Commission, containing the principal documents and summary records relating to each ILC session. It has since been published annually in two volumes in respect of each session.

*Highlights of Spanish Astrophysics II* Mar 22 2022 Proceedings of the 4th Scientific Meeting of the Spanish Astronomical Society (SEA), held in Santiago de Compostela, Spain, September 11-14, 2000

**The Spanish Atlantic World in the Eighteenth Century** Oct 24 2019 This book covers the evolution of royal policy in Spanish America as eighteenth-century Spain modernized its empire and transformed itself into a power of the first order. Tracing the interplay between war and reform, the analysis confronts the diverse realities of the Spanish Atlantic world, which stretched from the northern Mexican borderlands to Argentina and Chile. Unlike earlier studies on eighteenth-century Spain, this work incorporates the early Bourbon experience into the narrative and integrates the impressive reemergence of the Royal Armada into a fuller picture of administrative, commercial, fiscal, ecclesiastical, and military change.

The World Book Encyclopedia May 24 2022 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

**The Americas in the Spanish World Order** Nov 29 2022 Juan de Solorzano Pereira (1575-1654) was a lawyer who spent eighteen years as a judge in Peru before returning to Spain to serve on the Councils of Castile and of the Indies. Considered one of the finest lawyers in Spain, his work, *De Indiarum Jure*, was the most sophisticated defense of the Spanish conquest of the Americas ever written, and he was widely cited in Europe and the Americas until the early nineteenth century. His work, and that of the Spanish School of international law theorists generally, is often seen as leading to Hugo Grotius and modern international law. However, as James Muldoon shows, the *De Indiarum Jure* represents the fullest development of a medieval Catholic theory of international order that provided an alternative to the Grotian theory.

**Festival Culture in the World of the Spanish Habsburgs** Jul 14 2021 Festivals and ceremonies played a major role in the Spanish world; through them local identities as well as a common Spanish culture made their presence manifest within and beyond the peninsula through ephemeral displays, music and print. This book explores Habsburg Visual culture at court and its connection with the creation of a language of triumph, the relationship between religion and the empire, and examines cultural, artistic and musical exchange in Naples and Rome. Taken together these essays contribute further to our growing appreciation of the importance of early-modern festival culture in general, and their significance in the world of the Spanish Habsburgs in particular.

*Secret Science* Nov 17 2021 The discovery of the New World raised many questions for early modern scientists: What did these lands contain? Where did they lie in relation to Europe? Who lived there, and what were their inhabitants like? Imperial expansion necessitated changes in the way scientific knowledge was gathered, and Spanish cosmographers in particular were charged with turning their observations of the New World into a body of knowledge that could be used for governing the largest empire the world had ever known. As María M. Portuondo here shows, this cosmographic knowledge had considerable strategic, defensive, and monetary value that royal scientists were charged with safeguarding from foreign and internal enemies. Cosmography was thus a secret science, but despite the limited dissemination of this body of knowledge, royal cosmographers applied alternative epistemologies and new methodologies that changed the discipline, and, in the process, how Europeans understood the natural world.

*Festival Culture in the World of the Spanish Habsburgs* Feb 18 2022 In recent years, there has been an increasing interest in Early Modern Festivals. These spectacles articulated the self-image of ruling elites and played out the tensions of the diverse social strata. Responding to the growing academic interest in festivals this volume focuses on the early modern Iberian world, in particular the spectacles staged by and for the Spanish Habsburgs. The study of early modern Iberian festival culture in Europe and the wider world is surprisingly limited compared to the published works devoted to other kingdoms at the time. There is a clear need for scholarly publications to examine festivals as a vehicle for the presence of Spanish culture beyond territorial boundaries. The present books responds to this shortcoming. Festivals and ceremonies played a major role in the Spanish world; through them local identities as well as a common Spanish culture made their presence manifest within and beyond the peninsula through ephemeral displays, music and print. Local communities often conflated their symbols of identity with religious images and representations of the Spanish monarchy. The festivals (fiestas in Spanish) materialized the presence of the Spanish diaspora in other European realms. Royal funerals and proclamations served to establish kingly presence in distant and not so distant lands. The socio-political, religious and cultural nuances that were an intrinsic part of the territories of the empire were magnified and celebrated in the Spanish festivals in Europe, Iberia and overseas vicerealties. Following a foreword and an introduction the remaining 12 chapters are divided up into four sections. The first explores Habsburg Visual culture at court and its relationship with the creation of a language of triumph and the use of tapestries in festivals. The second part examines triumphal entries in Madrid, Lisbon, Cremona, Milan, Pavia and the New World; the third deals with the relationship between religion and the empire through the examination of royal funerals, hagiography and calendric celebrations. The fourth part of the book explores cultural, artistic and musical exchange in Naples and Rome. Taken together these essays contribute further to our growing appreciation of the importance of early-modern festival culture in general, and their significance in the world of the Spanish Habsburgs in particular.

**Mosaicos / Mosaics** Feb 06 2021
