As Jisho Warner writes in her preface, Opening the Hand of Thought "goes directly to the heart of Zen practice... showing how Zen Buddhism can be a deep and life-sustaining activity." By turns humorous, philosophical, and personal, Opening the Hand of Thought is above all a great book for the Buddhist practitioner. It's a perfect follow-up for the reader who has read Zen Meditation in Plain English and is especially useful for those who have not yet encountered a Zen teacher.
