**Reiki for Beginners: Your Guide to Reiki Healing and Reiki Meditation With Useful Techniques to Increase Your Energy and Cleansing your Aura** Dec 16 2021

Are you struggling to find your own spiritual path and balance your energy? There are two main arguments Reiki for Beginners makes. The first is that the prevalence of many insurmountable issues like burnout, stress, fatigue, and depression occurs due to the absence of energy, or rather 'the crisis in energy'. It is the lack of energy that incapacitates people who suffer from stress - they do not have the strength or vitality to manage their challenges. The more challenges, the more energy you need to rise to the occasion of overcoming them. In this sense, energy is a currency. It helps us triumph over obstacles and difficulties while allowing us to stave off physical ailments and keep spiritual desolation at bay. The second point of this book is to emphasize that we need something to help us restore this absence of energy. Reiki for Beginners explores how Reiki is one of the few practices that get to the root of 'the energy crisis'. While Reiki is often connected to mystics and spirituality, it follows an analytical approach demonstrating everyday evidence of how Reiki is codified into our behavior. It highlights how the Reiki practices of healing through physical touch, meditation, the power of symbolism, and the use of mantras are essential practices. They are not crucial in our reaction to the 'energy crisis' but they are deeply ingrained in our behavior as humans. They are so ingrained that while we daily heal others through physical touch, we do it without knowing that we are applying Reiki practices. This guide explores the origins, Reiki Levels, and applications of Reiki through an analytical and practical lens. It is a vital read if anyone wishes to overcome their own absence of energy and help to respond to increasing levels of burnout, stress, and spiritual desolation. In this comprehensive Reiki beginner guide you'll discover: • What Is Reiki? • Shoden: Usui Reiki Level I • Okuden: Usui Reiki Level II • Shinpiden: Usui Reiki Level III • Hand Positions • How to heal others • How to heal ourselves • FAQ • And much more Get your copy now and change your life through the power of Reiki

**Reiki in Clinical Practice** Sep 13 2021 Reiki is a healing technique,

using gentle touch with the hands placed on or slightly away from the body to optimize physical, mental and emotional health. It is based on the assumption that the flow of energy through the body can be supported and adjusted to promote wellness. Reiki in Clinical Practice is aimed at two main groups: 'medical' practitioners and those with a 'medical' background such as nurses, osteopaths, physical therapists, who may be familiar with Reiki but lack an evidence-based guide on conditions for which Reiki is most effective and who want the 'ammunition' to justify its use in their practice; those unfamiliar with Reiki but who are interested in finding how it can benefit their patients. The book provides an accurate description of Reiki, based on qualitative and quantitative scientific evidence, in terms of how it can be used in medical settings to benefit patients of all types, physiologically and psychologically. It achieves this by following the journey of the author (a scientist), starting from her unsolicited encounter with Reiki and personal observations to her continuing testing of its validity and her quest to determine its effectiveness through robust, scientific investigation. The author distills the essence of the currently peer-reviewed published research to produce a clear outline of the effectiveness of Reiki in alleviating disease and imbalance in various body systems. She will provide a summary of the effectiveness of Reiki (based on a review of surveys of its use) in various circumstances and locations. She presents possible mechanisms by which Reiki may exert its effects. Unlike most books about Reiki, the book is written in a scientific style with which medical practitioners are familiar (clear, precise, logical and concise), so they will be more likely to read it, judge the evidence for themselves, and hopefully support, extend and develop Reiki treatment and training programs so that their patients will have more access to a non-invasive, inexpensive complementary therapy to assist in their healing.

Through the use of the mantra Namō Quan Shi Yin P'u-Sa, Quan Yin can be called in very strongly to a healing session where the Lavender Flame energy is being used. The Lavender Flame has the characteristic of transmuting negative and unwanted energy very fast and for bringing purification to a person. It has the initial feeling of being a gentle and nurturing energy, but in reality is very strong and does its work very effectively. It has a link energetically to the Violet Fire energy and works through the energy structures in our chakras. People with good self-awareness can work with this energy effectively, to break the karmic behavioral patterns they are holding that are not of love, by working with the Lotus Jewel of Karmic Release in their heart chakras. People with good psychic ability can work with this energy to connect with the Higher Beings and to develop their third eye capabilities. Quan Yin is assisted with this energy by Isariel and Suriel from the Angelic realms and the angels may be called in to participate in the healing sessions. Lavender Flame Reiki was founded by Andrea "Suraya" Meyers. Please read Usui Reiki Attunements by Chris Comish before receiving this attunement.
